

# Sensodyne Social Media Toolkit

Running a dental practice in the social media age can be overwhelming, so we've developed complimentary social media content that can help you bolster your patient engagement efforts.

[CLICK HERE](#) to download the image and video content we've created, with suggested corresponding post copy provided below.

**SENSODYNE**

## SOCIAL CONTENT & COPY

Our dental office recommends #Sensodyne toothpaste so you can enjoy cold foods & drinks this summer. Ask at your next dental visit. #sensitivity #colddrinks

Sensitive teeth shouldn't stop you from enjoying cold food & drinks! Ask us how changing your toothpaste can help. #sensitivity #Sensodyne #colddrinks
